**ROOM: #330 Spiess Hall.**

DIRECTIONS:

- From San Diego Airport: Take Interstate I-5 NORTH until the La Jolla Parkway exit, follow a westward direction on La Jolla Parkway and down the hill -approximately 1.5 miles- to the third major light (by the gas station) that turns into La Jolla Shores Drive. Turn RIGHT on La Jolla Shores and continue straight on this road for about 1.0 miles. As you're going NORTH on La Jolla Shores, make a RIGHT into the first parking lot that is just after the suspension pedestrian bridge.

- From Los Angeles: Take Interstate I-5 SOUTH to Genessee Avenue exit. Go west on Genessee approximately 0.5 miles to North Torrey Pines Road. Turn left (south) on North Torrey Pines and go 1.0 miles to La Jolla Shores Drive. Turn right (west on La Jolla Shores and go down the hill about 1.0). As you're going SOUTH on La Jolla Shores, as soon as you take that downhill curve, the parking lot is the first entrance to your LEFT.

The entrance into the parking lot has a street name/sign Shellback Way. (Park in this lot only if you have UCSD permit. **Free parking is only on the La Jolla Shores drive. You can also park in the Birch Aquarium parking lot and walk down the hill**)

From the parking lot you will see the big elevator tower (or stairs for the exercise inclined). Go up to the third floor and the room doors will be right there as you exit the elevator/stairs.
